Author's Checklist

The KINPR requires the corresponding author of a submitted paper to sign to author's checklist on the behalf of all the authors in order for the protection of the original authors from misappropriation of their work. Please check below items before submission of the manuscript.

Title of Manuscript	
----------------------------	--

General matters	
<input type="checkbox"/>	1. The manuscript is submitted solely to this journal and is not published, in press, or submitted elsewhere at this time.
<input type="checkbox"/>	2. The contents of manuscripts should be original and confidential.
<input type="checkbox"/>	3. Manuscripts should be prepared in accordance with KINPR template which can be found at http://www.kinpr.or.kr
<input type="checkbox"/>	4. The author(s) must keep Research and Publication Ethics.

Title page	
<input type="checkbox"/>	1. Title page is written in the order of title of manuscript, the name of the author(s), institutional affiliation(s) and address.
<input type="checkbox"/>	2. The English name of the author(s) is written full name in italics.
<input type="checkbox"/>	3. A short abstract (Korean 700 words, English 180 words) and key words (5-10 words) should precede the manuscript. They are written in Korean and English. The Abstract should be clear and informative, briefly state the purpose of the research, the research methodology, the principal results and major conclusions.
<input type="checkbox"/>	4. All of the authors's membership status, e-mail addresses and telephone number is described in the footnote of the manuscript.
<input type="checkbox"/>	5. The author(s), who wants(s) to publish the manuscript presented in the previous conference proceeding, should include the title, conference name, place, date, and pages in the footnote of the manuscript.

Main body	
<input type="checkbox"/>	1. The scientific term refers to "Scientific and Technical Terms Reference Book" published by MEST(Ministry of Education, Science And Technology) or KOFST(The Korean Federation of Science and Technology Societies).
<input type="checkbox"/>	2. To cite sources in the text, use the author-date method; list last names of authors, then the year, for example, Sparrow(1980), a discussion(Sparrow, 1980; Lee and Yang, 1997), Abbott et al.(2000).

Tables and pictures	
<input type="checkbox"/>	1. Tables and pictures should be clear.
<input type="checkbox"/>	2. Tables and pictures should have a descriptive title that should be above the tables and below the pictures in English.
<input type="checkbox"/>	3. Tables and pictures are not duplicated and relevant details are expounded in the text.

figures	
<input type="checkbox"/>	1. Equations should be in the separate lines.
<input type="checkbox"/>	2. Equation numbers should be arabic numerals enclosed in parentheses on the right-hand margin. They should be cited in the text as, for example, Eq. (1), or Eqs. (2)~(5).

References	
<input type="checkbox"/>	1. References should be cited in the text.
<input type="checkbox"/>	2. List all references at the end of manuscript alphabetically by last name of the first author numbered consecutively with arabic numerals.
<input type="checkbox"/>	3. References for Text should be written without " " but articles in journals or proceedings with " " .

Acknowledgement (where applicable)	
<input type="checkbox"/>	1. The contributions to the work should be described at the end of the manuscript as "Acknowledgement".

Authors checked all the items stated above,
and I hereby submit this document with the manuscript.
